Office Memorandum • UNITED STATES GOVERNMENT

CONFIDENTIAL

TO : Chief, Management Staff, DD/S
FROM : Chief, Budget Division
SUBJECT: Proposed T/O and Ceiling Increase, Office of Scientific Intelligence

DATE: 26 MAY 1955

**ANN
B**

1. Reference is made to memorandum dated 28 April 1955 from the Assistant Director, Office of Scientific Intelligence to the Deputy Director (Support).

2. The AD/OSI requests T/O and Ceiling approval of four additional positions (1 GS-14, 1 GS-13, 1 GS-12 and 1 GS-5) to permit the Medicine Division of OSI to discharge added responsibility in connection with NIS Section 45, Health and Sanitation.

3. This additional responsibility stems from extended meetings and negotiations between the Coordinator of NIS, OSI and the Department of the Army, G2, who had been responsible for coordination and preparation of the entire section 45 in the past. At a meeting of the NIS Committee on 29 March 1955 it was agreed that CIA, on 1 July 1955, will assume responsibility for ten of the fifteen subsections, with the Army continuing to handle the following five subsections:

B. Factors affecting health
Topography and climate
Water
Waste Disposal

C. Diseases:
Diseases of man

D. Medical organization and Administration:
Military

4. No provision was made for this activity in the FY 1956 Congressional Budget.

5. If this proposal is approved, additional funds in the amount of \$28,410 would be required on an annual basis if positions were filled at proposed grade level. No appreciable increase in the overall average salary would result from this proposal.
